Please order cable suspensions separately.

Of the accessories series 500 there can be used: Rail ring to be directly turned into poster rails Art.-No. 25730-xx (only colored), Hanging ring Art.-No. 25710-03 (grey) and suspension ring Art.-No. 25700-xx (colored and clear).

We are happy to create your individual offer.
END CAP RAIL AMBIENTE
Suits poster rail Ambiente for a neat rail end, grey.

25686-03

FOIL GRIP
Clip for poster rail Ambiente with profile for a secure hold of foils with material thickness of 0,4 - 0,8 mm.

Foil Grip SG, grey | 25780-03
Foil Grip XT, black | 25785-10

CABLE SUSPENSION WITH PLATE FOR AMBIENTE RING
Suitable to suspend our poster rail Ambiente as ring. Adjustable wire cable Ø 1,5 mm with slipknot, zinced plate for a quick and easy, sideways insert into the rail profile. Further lengths and cable suspensions for poster rail Ambiente (straight) available upon request.

2000 mm | 25699-00/2000

POSTER RAILS

Energize your advertising with our selection of OEK poster rails! Various types of suspension rails made of plastic and aluminium with an extensive set of accessories allow for the perfect placement of showcard frames, price displays, profile frames and much more, regardless of the application.
Remark:
For fixing the aluminium poster rails you can also use the following elements:
• Poster rail I: ➜ **accessories showcard frames (series 100)**
• Poster rails II and III: ➜ **accessories showcard frames (series 500)**

Colors:
The aluminium poster rails are also available in special colors (coated similar to RAL colors). Please contact us for more details or a quote.
POSTER RAIL I

Anodized aluminium, profile 45 x 10 mm, with insert for promotional strips with 39 mm height. Standard lengths 200 and 300 cm. Special colors are available upon request.

For suitable elements to suspend rail and frames, please see chapter accessories showcard frames (series 100).
Available upon request.

15401-90/xxxx

CONNECTOR FOR POSTER RAIL I

To connect single poster rails I, zinc coated metal.

25601-00

POSTER RAIL II

Anodized aluminium, profile 20 x 40 mm, insert for promotional strips with 32 mm height, standard lengths 100, 200 and 300 cm. Special colors are available upon request.
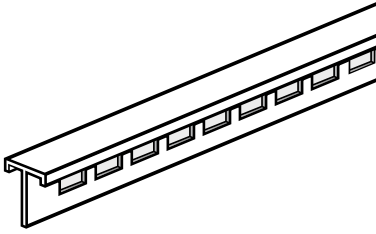

15402-90/xxxx

POSTER RAILS

POSTER RAIL III
Anodized aluminium, profile 20 x 20 mm, standard lengths 100, 200 and 300 cm. Special colors are available upon request.

15403-90/xxxx

GRIP STRIP
For direct insert into poster rails II and III, allows for a quick and easy change of your information displays. Made of clear plastics, standard lengths 100 and 200 cm. PU: 10 pcs.
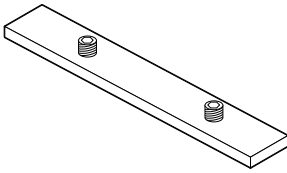

22570-xxxx

NEW

HANGER WITH BENDED SCREW HOOK
Hanger for poster rail II - consisting of zinced steel plate (50 x 14 x 3 mm with thread M4) and bended screw hook (zinced).
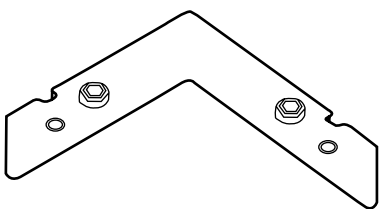

6-00379-0004

CONNECTOR
To connect two single rails, suits poster rails II and III, zinc coated metal with 2 stud screws.

With poster rail II we recommend to use two connectors.

25610-00

CORNER CONNECTOR 90°
Suits poster rails II and III, to connect two rails with mitred corners, zinc coated metal with 4 stud screws.

With poster rail II we recommend to use two connectors.

25620-00

ACCESSORIES FOR POSTER RAILS

T-CONNECTOR FOR ALU POSTER RAIL II AND III
For a stable and invisible T-connection of poster rails II and III, zinc coated metal. Set consisting of 2 T-connectors, 4 standard connectors and 8 screws.
25625-00

CORNER CONNECTOR, 2-PARTS
Suits poster rail II, to connect two rails without mitred corners in a 90° angle, 2-parts with screws, grey.
25650-03

END CAP II
Suits poster rail II, for a neat closing, grey.

25670-03

END CAP III
Suits poster rail III, for a neat closing, grey.

25680-03

CONNECTOR (RAIL III) WITH RING
Suits poster rail III, to connect two rails while suspending them by the integrated ring, grey.
25630-03

ACCESSORIES FOR POSTER RAILS

END CAP (RAIL III) WITH RING
Suits poster rail III, for a neat closing and suspension by the integrated ring, grey.

25735-03

RAIL RING
To be directly turned into poster rails II and III for both - suspending the rail itself as well as the frames, grey.
25730-03

SUSPENSION RING
To suspend poster rails II and III, to be turned into top groove, clear.

25700-00

HANGING RING
To be turned into rails II and III to suspend frames, clear.

25710-00

CABLE SUSPENSION
Suitable to suspend our alu rails II, III, alu clamp rail 40 and priceboards. Adjustable wire cable Ø 1,2 mm with hooks, plate for a quick and easy, sideways insert into the rail profile. Further lengths are available upon request.
