

## Promotional bins and wire baskets

Bins and baskets are basic essential elements for completing and improving the modern retail store. These items offer generous loading capacity and represent a must-have for any promotional activity in the shop.

IT

### Bancarelle e ceste

Questi espositori sono elementi indispensabili per completare ed arricchire il punto vendita, offrendo la massima funzionalità per valorizzare le varie attività promozionali e al tempo stesso garantendo la massima capienza.

DE

### Verkaufsschalen und Wühlkörbe

Diese Warenträger sind unverzichtbare Bestandteile zur Komplettierung und Bereicherung eines Verkaufspunktes und bieten dabei maximale Funktionalität zur Verkaufsförderung und ausreichend Platz für die Ware.

FR

### Bac promotion et corbeilles

Ces présentoirs soldeurs sont des éléments indispensables pour compléter et enrichir le magasin, en offrant la plus grande fonctionnalité pour valoriser les plusieurs activités promotionnelles et en garantissant une grande capacité.

ES

### Expositor y alambre

Estos expositores son elementos indispensables para completar y enriquecer la tienda, ofreciendo la máxima funcionalidad para revalorizar cada promoción y al mismo tiempo garantizar la máxima capacidad.
